In compiling this newsletter for the 2018/2019 Fall and Winter season, the staff has attempted to include all of the pertinent information about services and activities offered by the Borough. The Borough Office is open Monday through Friday, 8:30 a.m. to 4:30 p.m. We invite you to call or stop in with questions or concerns. Please keep this newsletter for future reference concerning dates and times of Borough activities.

Borough meetings are held on the second and fourth Mondays of each month at 7:00 p.m. and the public is encouraged to attend. The meetings are held in the Marina building at 2 Main St. We are always interested in your comments and suggestions and we look forward to seeing you there.

BEACH BADGES: Gift certificates are available in the Borough Office. For the holidays, with each gift certificate purchased, you will receive a souvenir holiday badge. The badges are yours to keep, but you must present the gift certificate in order to obtain your season beach badge. The price for a season badge is \$90.00. Senior Citizen and Teen Badges are \$45.00.

REMINDER: You must license your dogs and cats in January of each year. **A current rabies certificate is mandatory.** If the certificate expires before November 1, 2019 you must get your pet re-vaccinated before you can obtain a license.

You may walk your dog on the beach October 1st through May 1st. Animals are **NOT** permitted on the boardwalk at any time. They must be on a leash and you must clean up after them no matter where you are walking them. This is the law!

Avon by the Sea Police Department
Michael Haar, Chief of Police
(732) 502-4500
Fax (732) 775-8618
Email: avonpolice@avonpd.org

Effective November 1, 2018, Lt. Michael Haar has been promoted to Chief of Police and Sgt. Timothy McGrath has been promoted to Lieutenant. We wish them all the best in their new positions.

Most of the information provided below is on the www.avonpd.org website or the <http://www.avonbytheseanj.com> website. I have highlighted a few questions that are frequently asked during the winter months.

Vacant House forms may be accessed via the AVONPD.ORG webpage. It looks like this:

New! Planning on being away and would like us to be aware? Fill out this online form and we will contact you for verification </vacant-home-or-business.html>

All you need to do is click on the Vacant-home link, and fill out the form online.

If you walk to police headquarters to speak to an officer, you must use the call box located under the entrance canopy at the entrance to the police department. This is located on the North side of the building. The Communications Officer will answer and provide you with the information you seek, and/or have an officer respond to police headquarters to speak with you. If you have any problems with this system, please contact Chief Michael Haar to report the issue.

To be placed on or removed from the Reverse 911 Calling list, you can do so by going on the internet to the following web site: <https://shoreareaens.onthealert.com/Account/LogIn> This is the calling system the town utilizes for large storms, and other pertinent information that we may need to get to the public quickly. The system will call house and cell phones, as well as email you. All you need to do is go to the website and set it up. When you get to the link, you will be walked through step by step.

1. **Borough Ordinance 64-12:** Dogs are not permitted on the boardwalk at any time. They are permitted on the beach between October 1st and May 1st. Dogs must be kept on a leash as well.
2. The **speed limit** within town is 25 MPH.
3. **Borough Ordinance 161-30** prohibits parking in any lane in the Borough.
4. **Borough Ordinance 123-4:** Construction may occur between the hours of 8:00 a.m. through 5:00 p.m. on Monday through Saturday. **There is no construction permitted on Sundays.** Construction is also not permitted on certain federal **HOLIDAYS. Holidays you are NOT permitted to work are: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, and Christmas Day.**
5. **Borough Ordinance 161-10:** The Diagonal Parking places in the first two blocks from the Beachfront will change back to **Parallel Parking on November 15th.**
6. **Borough Ordinance 161-26.1:** When snow is expected, please move all vehicles to the south & west sides of the streets until the plows have cleaned out the other sides. Once the other side is clear, you should move your vehicle back so the plows may clean the rest of the streets.
7. **Borough Ordinance 142-16:** It is the responsibility of the Owner or Tenant of a residence to remove the snow from the sidewalks. If the sidewalks are icy, it is the owner/tenant's responsibility to put sand or salt down on the ice.

These Ordinances have been in effect for a number of years, and in the past we have issued warnings prior to summonses for vehicles left on street without moving during the times of snow. The Police Department will be tightening up this enforcement and will be issuing more summonses for these violations. If you have a problem and for some reason are unable to move your vehicle, you must contact the Police Department right away. If you contact us after a summons has been issued, there is nothing that can be done about the summons through the Police Department. At this point you will have to go to the Municipal Court on your assigned court date to explain your circumstances.

Please feel free to contact police headquarters at (732) 502-4500 if you have any questions, or check out our webpage at www.avonpd.org. Each officer has an email link on the web page, so you may contact the officers via email as well.

It is imperative that you report any suspicious activity to the police department as it is occurring. Calling us at a later date or time puts the department at a real disadvantage. We would rather you call and we investigate to learn that everything is in order, rather than you not call and we find out later that a crime has occurred.

AVON MUNICIPAL COURT
732-776-2999
Fax – 732-897-5813
Office Hours 8:00 a.m. – 4:00 p.m.

Donna Anderson, Deputy Court Administrator

The Avon Municipal Court Office is located in the Bradley Beach Borough Hall, 701 Main St. in Bradley Beach. Our court sessions are held the third Wednesday of each month at 1:00 p.m. in the Bradley Beach Courtroom.

Judge Capotorto would like to remind everyone that **angle parking in most areas in town ends on November 15th**. Please remember to **WATCH THE “SIGNS” NOT THE “LINES”**.

Daylight savings time will soon be ending and we have school buses on our local streets before it is light and after dark. Please remember to stop your vehicle until all children are safely on the bus or on the sidewalk. In addition to ensuring the safety of our children, **it's the law**.

Inspections can be scheduled on Tuesday's and Thursday's between 7:30 a.m.–10:00 a.m. He is available Monday-Friday at 732-502-4510, Ext. 229. His e-mail rconnors@avonbytheseanj.com.

Our Fire Official is Tony Vecchio. His hours vary weekly. Mr. Vecchio does Certificates of Occupancy for sales and rentals. Mr. Vecchio's phone number is 732-502-4518. His e-mail is firebureau@avonbytheseanj.com Please be advised that all owners or landlords who rent or lease any apartment, cottage, rooms or single family homes, not registered as a Rooming House or Hotel must obtain a Certificate of Occupancy and inspection prior to leasing or renting same. A Certificate of Occupancy is required for ALL winter, summer and year round rentals. All applications may be picked up at the Borough Municipal Building. Failure to obtain a Certificate of Occupancy is punishable by a \$1,250.00 fine and appearance in court. Any questions, please contact Tony Vecchio.

Almost any building, electrical or plumbing work, or anything coming under the fire code require permits. If you are not sure if you need a permit, please call the Borough Office **before** beginning any type of construction.

Other Information Concerning Construction permits:

1. The laws requiring new home builders to be registered and contractors in the various trades, such as plumbing and electrical work, to be licensed were adopted to protect homeowners and homebuyers. If you are signing this Certification to provide cover to an unlicensed homebuilder or contractor, you are forfeiting the protection afforded to you under the law. The contractor that you have hired may or may not be qualified. And if you encounter problems with this contractor, the government will not be able to help you because you signed the Certification indicating that you are performing the work yourself.

In the case of the construction of a new home, you are forfeiting your right to a new home warranty. Every new home builder in New Jersey is required to be registered with the State and to give a warranty to each purchaser. The warranty covers almost all defects in workmanship or materials, including appliances, for the first year; plumbing, mechanical (heating and air conditioning), and electrical systems for the first two years; and major structural defects for ten years. Further, the warranty will actually pay for the correction of defects if the builder fails or refuses to do so. By signing the Certification, you are giving up that protection.

2. You are violating the criminal laws of this State if you sign the Certification indicating that you are doing the work yourself when, in fact, you are paying someone else to do it.

AVON-BY-THE-SEA FIRST AID & SAFETY SQUAD

The Avon-by-the-Sea First Aid & Safety Squad is a private, non-profit organization that provides emergency medical and rescue services 24 hours a day, 7 days a week, for the Borough of Avon and neighboring communities when needed. The Squad answers more than 300 calls for emergency services each year. It has provided these services since 1931. The Squad is staffed entirely by volunteer EMTs (Emergency Medical Technicians). All EMT training is provided at no cost to the volunteers. Volunteers are always needed and welcome. You must be at least 16 years of age to begin training as an EMT. If you would like to visit the Squad building and find out more about the Squad, you can call 732-502-4519.

We do not charge for any service we provide. The Squad relies upon your generous donations to help pay for our ambulances, fuel, vehicle maintenance, building utilities, first aid supplies, equipment, and training. Our major fund-raisers are the annual "Avon 5K Run/Walk" in June and the Fund Drive mailing in July.

Your cooperation is appreciated in taking the following steps to help us assist you in an emergency:

- 1) Display house numbers in a well-lit & visible location,
- 2) Keep a list of current medications, medical problems & physician's name handy,
- 3) Write down phone numbers, "in case of emergency", & post them by your phone.

AVON-BY-THE-SEA FIRE DEPARTMENT

The New Procedure, started last year, is for you to have the gifts at your home, and email us at avonfdsanta@gmail.com to register your name and address for Santa to stop by. The Fire Department urges all residents to change the batteries in all Smoke Detectors and Carbon Monoxide Alarms once a year. Depending on the make and model, the life span of older detectors can be as short as five to seven years. Remember to check the manufacturing date on the detector when changing the battery and replace according to the manufacturer's guidelines. Should you have any questions or concerns, please contact the Fire Chief at avonfirechief8666@gmail.com

Avon Office of Emergency Management

Ken Child, Coordinator

732-502-4510

avonoem@gmail.com

The Avon-By-The-Sea Office of Emergency Management manages the Emergency Notification System that allows the Borough to notify residents of issues that may impact the community, or of impending storms. Residents are encouraged to register for the system by logging into: <https://shoreareaens.onthealert.com> and providing your contact information, including home and cell phone numbers, to ensure that you are informed of important information.

The Office of Emergency Management, along with the Building Department, is proud to announce the Borough is now a FEMA Community Rating System (CRS) Community. The Community Rating System (CRS) is a voluntary program for National Flood Insurance Program (NFIP) participating communities. The goals of the CRS are to reduce flood damages to insurable property, strengthen and support the insurance aspects of the NFIP, and encourage a comprehensive approach to floodplain management. Under the program, credit points are given for all activities conducted above and beyond the minimum requirements of the NFIP. The activities are organized under 4 main categories: Public Information, Mapping and Regulation, Flood Damage Reduction, and Flood Preparedness.

The CRS uses a class rating system that is similar to fire insurance rating to determine flood insurance premium reductions for residents. CRS classes are rated from 10 to 1. Most communities enter the program at a Class 9 rating, which entitles residents in Special Flood Hazard Areas (SFHAs) to a 5 percent discount on their flood insurance premiums. As of October 1, 2016 the Borough has entered into the system with Class 6 rating. This rating entitles anyone with a Flood Insurance Policy in a Flood Zone to a 20% discount in your insurance premium. Policies written for the X zone will receive a 10% discount. If you would like more information regarding this new program please call Borough Hall at the number above.

Avon Flood Map and Mitigation Services: The first thing you should do is check what your flood risk is at your location. Flood protection references are available at the Avon Public Library and Borough Hall. You can also visit the Office of Emergency Management or Building Department at Borough Hall to see if you are in a mapped floodplain. If so, we are available to meet with you to discuss ways to mitigate from future floods and potentially lower your flood insurance premium. If requested, we will visit a property to review its past flood problems and explain ways to stop future flooding or prevent flood damage. We are also available to review and explain your elevation certificate and we can also review your insurance policy to ensure your premium is properly rated. Call the Department at 732-502-4510. This service is free.

The Monmouth County Office of Emergency Management has developed a new tiered coastal evacuation plan named **KNOW YOUR ZONE**. This plan identifies specific coastal evacuation zones (A, B, C and D) which helps emergency management officials target evacuation orders to those areas that are at the most risk, based upon threat, strength, direction and forecasted storm surge. The public outreach and educational program, **Know Your Zone**, is designed to educate residents, businesses and visitors on the coastal evacuation zone in which they live, work or vacation. Borough residents and businesses are urged to visit <http://www.mcsonj.org/knowyourzone> and enter their address in the Find Your Zone here tab to find their zone. Once the address is entered, you will be prompted to download a brochure that explains the program, the different types of evacuations, and instructions of what to do to prepare for evacuation in the event that becomes necessary.
