In compiling this newsletter for the 2014/2015 Fall and Winter seasons, the staff has attempted to include all of the pertinent information about services and activities offered by the Borough. The Borough Office is open Monday through Friday, 8:30 a.m. to 4:30 p.m. We invite you to call or stop in with questions or concerns. Please keep this newsletter for future reference concerning dates and times of Borough activities.

Borough meetings are held on the second and fourth Mondays of each month at 7:30 p.m. and the public is encouraged to attend. We are always interested in your comments and suggestions and we look forward to seeing you there.

BEACH BADGES: Gift certificates are available in the Borough Office. For the holidays, with each gift certificate purchased, you will receive a souvenir holiday badge. The badges are yours to keep, but you must present the gift certificate in order to obtain your season beach badge. The price for a season badge is \$90.00. Senior Citizen and Teen Badges are \$45.00.

REMINDER: You must license your dogs and cats in January of each year. **A current rabies certificate is mandatory.** If the certificate expires before November 1, 2015 you must get your pet re-vaccinated before you can obtain a license.

You may walk your dog on the beach October 1st through May 1st. Animals are **NOT** permitted on the boardwalk at any time. They must be on a leash and you must clean up after them no matter where you are walking them. This is the law!

Your recyclables must be out in the lane or curb in properly marked containers where they are easily seen **SEPARATE FROM TRASH CANS**. Do not put lids on the containers.

The recycling drop off center, located at the Public Works Yard, is closed until further notice. A temporary drop off center is located at 719 Main St. It is open Monday through Friday from 8:00 a.m. to 3:00 p.m., and Saturday from 8:00 a.m. to 2:00 p.m. The Drop-Off Center is closed on Sundays and holidays. All other paint and hazardous materials must be taken to the Monmouth County Reclamation Center. Please call 732-683-8686 for appointments and directions. **DO NOT DROP OFF AT THE PUBLIC WORKS YARD.**

WE DO NOT ACCEPT ANY HOUSEHOLD BATTERIES FOR RECYCLING. THEY ARE NO LONGER CONSIDERED HAZARDOUS WASTE AND CAN BE PUT INTO REGULAR TRASH. TRASH PICK-UP SCHEDULE: Trash will be collected twice a week, Mondays and Thursdays, throughout the entire town. We ask that you please store or move any unused trashcans. This will help us cut down on the time it takes to check cans for trash at every stop. Please notify contractors that they are responsible to take away any bulk or debris that they generate. This includes, but is not limited to, sheet rock, wood, plaster, plumbing, electrical, carpets, appliances, brush, limbs etc.

Preparation and handling. Ordinance # 107-7 is now being strictly enforced.

The following items will not be collected unless they are prepared as indicated:

Each receptacle shall have a tight fitting cover and constructed to prevent spilling or leakage of contents, the infiltration of water, and to be vermin-proof and shall be disinfected on a regular basis. Each residential and nonresidential unit shall be entitled to use up to five (5) 32-gallon/50 pound trash cans for each collection. No receptacle loaded for collection shall weigh more than fifty (50) pounds. This includes recycling cans and any other cans the Public Works Dept. collects. Any cans that do not comply with this ordinance will be left behind until properly prepared for collection.

Please note that trash or recycling pick-up may be suspended due to heavy snowstorms. Pick-up will resume as soon as possible. Please shovel out your trashcans after a storm.

AVON-BY-THE-SEA POLICE DEPARTMENT, Terence P. Mahon, Chief of Police

(732) 502-4500, Fax (732) 775-8618

Email: avonpolice@avonpd.org

Most of the information provided below is on the www.avonpd.org website or the <http://www.avonbytheseanj.com> website. I have highlighted a few questions that are frequently asked during the winter months.

NEW! Planning on being away and would like us to be aware? Go to avonpolice@avonpd.org and click on this link [/vacant-home-or-business.html](#) and fill out the online form and we will contact you for verification.

If you walk to police headquarters to speak to an officer, you must use the call box located under the entrance canopy at the entrance to the police department. This is located on the North side of the building. The Communications Officer will answer and provide you with the information you seek, and/or have an officer respond to police headquarters to speak with you. If you have any problems with this system, please contact Chief Terence Mahon to report the issue.

To be placed on the Reverse 911 Calling list, you can do so by going on the internet to the following web site: <https://shoreareaens.onthealert.com/Account/LogIn> This is the calling system the town utilizes for large storms, and other pertinent information that we may need to get to the public quickly. The system will call house and cell phones, as well as email you. All you need to do is go to the website and set it up. When you get to the link, you will be walked through step by step.

1. **Borough Ordinance 64-12:** Dogs are not permitted on the boardwalk at any time. They are permitted on the beach between October 1st and May 1st. Dogs must be kept on a leash as well.
2. The speed limit within town is 25 MPH.
3. **Borough Ordinance 161-30** prohibits parking in any lane in the Borough.
4. **Borough Ordinance 123-4:** Construction may occur between the hours of 8 AM through 5 PM on Monday through Saturday. There is no construction permitted on Sundays. Construction is also not permitted on the following **FEDERAL HOLIDAYS:** New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day.
5. **Borough Ordinance 161-10:** The Diagonal Parking places in the first two blocks from the Beachfront will change back to **Parallel Parking on November 15th**.
6. **Borough Ordinance 161-26.1:** When snow is expected, please move all vehicles to the south & west sides of the streets until the plows have cleaned out the other sides. Once the other side is clear, you should move your vehicle back so the plows may clean the rest of the streets.
7. **Borough Ordinance 142-16:** It is the responsibility of the Owner or Tenant of a residence to remove the snow from the sidewalks. If the sidewalks are icy, it is the owner/tenant's responsibility to put sand or salt down on the ice.

Please feel free to contact police headquarters @ (732) 502-4500 if you have any questions, or check out our webpage at www.avonpd.org. Each officer has an email link on the web page, so you may contact the officers via email as well.

It is imperative that you report any suspicious activity to the police department as it is occurring. Calling us at a later date or time puts the department at a real disadvantage. We would rather you call and we investigate to learn that everything is in order, rather than you not call and we find out later that a crime has occurred.

Office Hours 8:30 am – 4:30 pm

The Avon Municipal Court Office is located in the Neptune City Borough Hall, 106 West Sylvania Avenue in Neptune City. Our court sessions are held the first and third Tuesday of each month at 1:30 pm in the Neptune City Courtroom.

Judge D'Auria would like to remind everyone that **angle parking in most areas in town ends on November 15th**. Please remember to **WATCH THE "SIGNS" NOT THE "LINES"**.

Daylight savings time will soon be ending and we have school buses on our local streets before it is light and after dark. Please remember to stop your vehicle until all children are safely on the bus or on the sidewalk. In addition to ensuring the safety of our children, **it's the law**.

CONSTRUCTION/CODE ENFORCEMENT OFFICE

Mr. Richard Connors is our Construction Official, Zoning Official and Building Inspector. Mr. Connors issues the Certificates of Occupancy for new construction. Inspections can be scheduled Monday, Tuesday and Thursday between 7:30 am – 9:30 am. He is available Monday-Friday at 732-502-4510, Ext. 229. His e-mail is code.avonbythesea@gmail.com.

Please call the Borough Office at 732-502-4510 to schedule inspections and to leave messages for any of the inspectors. You may also e-mail at avonboro@optonline.net

Our Fire Official is Tony Vecchio. His hours vary weekly. Mr. Vecchio does Certificates of Occupancy for sales and rentals. Mr. Vecchio's phone number is 732-502-4518. Please be advised that all owners or landlords who rent or lease any apartment, cottage, rooms or single family homes, not registered as a Rooming House or Hotel must obtain a Certificate of Occupancy and inspection prior to leasing or renting same. A Certificate of Occupancy is required for ALL winter, summer and year round rentals. All applications may be picked up at the Borough Municipal Building. Failure to obtain a Certificate of Occupancy is punishable by a \$1,250.00 fine and appearance in court. Any questions, please contact Tony Vecchio.

Almost any building, electrical or plumbing work, or anything coming under the fire code require permits. If you are not sure if you need a permit, please call the Borough Office **before** beginning any type of construction.

Other Information Concerning Construction permits:

1. The laws requiring new home builders to be registered and contractors in the various trades, such as plumbing and electrical work, to be licensed were adopted to protect homeowners and homebuyers. If you are signing this Certification to provide cover to an unlicensed homebuilder or contractor, you are forfeiting the protection afforded to you under the law. The contractor that you have hired may or may not be qualified. And if you encounter problems with this contractor, the government will not be able to help you because you signed the Certification indicating that you are performing the work yourself.

In the case of the construction of a new home, you are forfeiting your right to a new home warranty. Every new home builder in New Jersey is required to be registered with the State and to give a warranty to each purchaser. The warranty covers almost all defects in workmanship or materials, including appliances, for the first year; plumbing, mechanical (heating and air conditioning), and electrical systems for the first two years; and major structural defects for ten years. Further, the warranty will actually pay for the correction of defects if the builder fails or refuses to do so. By signing the Certification, you are giving up that protection.

2. You are violating the criminal laws of this State if you sign the Certification indicating that you are doing the work yourself when, in fact, you are paying someone else to do it.

PLEASE NOTE THAT EFFECTIVE JANUARY 1, 2015, THE NEW LANDLORD REGISTRATION GOES INTO EFFECT. ANYONE WHO RENTS RESIDENTIAL OR COMMERCIAL SPACE WILL BE REQUIRED TO REGISTER. THE FORM WILL BE MAILED TO ANYONE KNOWN TO US TO BE A LANDLORD. IF YOU DON'T RECEIVE A FORM IN THE MAIL, YOU CAN PICK ONE UP IN THE BOROUGH OFFICE. REGISTRATION IS MANDATORY AND FAILURE TO DO SO WILL RESULT IN FINES.

Avon Office of Emergency Management
Ken Child, Coordinator, Steven Kegelman, Dept. Coordinator
732-502-4510
avonoem@gmail.com

The Office of Emergency Management wants to remind residents that emergencies happen at any time, often without notice. It is never too late to create an Emergency Kit. Be prepared to improvise and use what you have on hand to make it on your own for **at least three days**, maybe longer. While there are many things that might make you more comfortable, think first about fresh water, food and clean air.

Consider two kits. In one, put everything you will need to stay where you are and make it on your own. The other should be a lightweight, smaller version you can take with you if you have to get away. The following is a list of the things you should put in your kit:

- **Water** one gallon per person per day, for drinking and sanitation.
- **Food** at least a three-day supply of non-perishable food
- **Battery-powered radio and extra batteries**
- **Flashlight and extra batteries**
- **First Aid kit**
- **Whistle** to signal for help
- **Filter mask** or cotton t-shirt, to help filter the air
- **Moist towelettes** for sanitation
- **Wrench or pliers** to turn off utilities
- **Manual can opener** for food (if kit contains canned food)
- **Plastic sheeting and duct tape** to shelter-in-place
- **Garbage bags and plastic ties** for personal sanitation
- **Unique family needs**, such as daily prescription medications, infant formula or diapers, and important family documents

If you have any questions about building your kit the office has several FEMA brochures available to assist you.

MONMOUTH COUNTY MULTI-JURISDICTIONAL HAZARD MITIGATION PLAN UPDATE

Monmouth County and its 53 municipalities have been working on the update of the Monmouth County Multi-Jurisdictional Natural Hazard Mitigation Plan since August of 2012. The first county wide plan was completed in 2009. The plan is a documented evaluation of the natural hazards to which a community is susceptible and the extent to which these events will occur. It identifies an area's vulnerability to the effects of natural hazards and the goals, objectives and actions required to minimize future loss. Mitigation is preparation and planning now to reduce loss of life and property later, by lessening the impacts of future disasters.

This plan allows the county and the participating municipalities to apply for pre and post disaster mitigation grant funding through FEMA.

The Draft Monmouth County Multi-Jurisdictional Hazard Mitigation Plan will be available for review beginning October 17, 2014. Residents can view the draft plan for the county and its 53 municipalities by visiting: www.monmouthsheriff.org, click on the OEM icon and select Hazard Mitigation Planning.

Another project we are working on through the County OEM and NJ State Police is called Register Ready. This is an on-line tracking system that allows our residents to register with the State Police if they may need assistance with evacuating during storms or other emergencies. This program is computer-based and allows the local OEM to print out a list of our residents that may need assistance. You can find details about the program on the internet at www.registerready.nj.gov.

The Avon-By-The-Sea Office of Emergency Management is always available to answer your questions or concerns regarding emergency preparedness for both the Borough and your family.

Avon Flood Map Services: The first thing you should do is check your flood hazard. Flood protection references are available at the Avon Public Library. You can also visit the Office of Emergency Management or Building Department at the Borough Hall to see if you are in a mapped floodplain. If so, we can give you more information, such as depth of flooding over a building's first floor and past flood problems in the area. If requested, we will visit a property to review its flood problem and explain ways to stop flooding or prevent flood damage. Call the Department at 732-502-4510. This service is free.

AVON-BY-THE-SEA FIRST AID & SAFETY SQUAD
732-502-4519

The Avon-by-the-Sea First Aid & Safety Squad is a private, non-profit organization that provides emergency medical and rescue services 24 hours a day, 7 days a week, for the Borough of Avon and neighboring communities when needed. The Squad answers more than 400 calls for emergency services each year. It has provided these services since 1931. The Squad is staffed entirely by volunteer EMTs (Emergency Medical Technicians). All EMT training is provided at no cost to the volunteers. Volunteers are always needed and welcome. You must be at least 16 years of age to begin training as an EMT. If you would like to visit the Squad building and find out more about the Squad, you can call 732-502-4519.

We do not charge for any service we provide. The Squad relies upon your generous donations to help pay for our ambulances, fuel, vehicle maintenance, building utilities, first aid supplies, equipment, and training. Our major fund-raisers are the annual "Avon 5K Run/Walk" in June and the Fund Drive mailing in July.

Your cooperation is appreciated in taking the following steps to help us assist you in an emergency:

- 1) Display house numbers in a well lit & visible location,
- 2) Keep a list of current medications, medical problems & physician's name handy,
- 3) Write down phone numbers, "in case of emergency", & post them by your phone.
